ENROLLMENT AGREEMENT FOR PROVISIONAL INTERVAL

The Provisional Interval provides an opportunity to join the Teacher Training Course (TTC) to determine whether or not training to be an Alexander Technique Teacher at ATI-LA is appropriate. This Provisional Interval does **not** lead to *certification* as a teacher of the Alexander Technique unless the student continues the full TTC. If the student continues as a trainee on the full TTC within six months of completion of the provisional period (minimum six-weeks), credit hours may be applied toward hours for *certification*.

AGREEMENT:

This is an Enrollment Agreement between The Alexander Training Institute of Los Angeles (henceforth known as “ATI-LA”) and the individual enrolling in the Alexander Teacher Training Course named below, for teacher training in the F.M. Alexander Technique.

I understand that this is a legally binding contract. My signature below certifies that I have read, understood, and agreed to my rights and responsibilities. By signing this agreement, I agree that I will not claim to be an Alexander Technique Teacher, nor teach the Alexander Technique before or following this Provisional Interim Period.

Please fill out, sign and date this form, and send a copy of the completed form to Admissions@ATI-LA.com.

Enrollment period ----- to _____

COMPLETION OF TRAINING:

Issuance of a Certificate of Completion of the Teacher Training Course will depend on:

- 1) The completion of a minimum of 1620 hours by the trainee,
- 2) The agreement of the Directors and Faculty of ATI-LA that the trainee has obtained a satisfactory level of proficiency teaching the Alexander Technique.
- 3) Trainee has met the requirements for Teacher Certification established by the American Society for the Alexander Technique.
- 4) Completed payment of any monies owing.

If all the above conditions have been met the trainee will receive a Certificate of Completion signed by a Co-Director of ATI-LA.

In the event that a trainee does not meet the level of proficiency required at the completion of the prescribed 1620 hours, continued course of study will be arranged mutually between the Co-Directors of ATI-LA and the trainee.

ATI-LA abides by & enforces the AmSAT rule that all trainees must undertake not to hold themselves out as Alexander Teachers, nor teach the Alexander Technique, except as supervised and permitted by the Training Directors, until they have duly qualified and have received an official Certificate of Completion, from the Director/s of the Course.
